

Engine Lift Test

{youtube}vLK6srhP_gU&feature=channel&list=UL{/youtube}

(this is a demonstration, do not use to support people, or loads over people)

The Symmloc Fastener has been tested to hold loads of 990 pounds using 1 Symmloc Fastener

that was installed by hand [See our Product Information Binder](#) for official test results, ad the Video below taken when they were tested.
